In the center, there are multiple overlapping signatures in blue and green, some of which are partially legible as 'Ar. S. R.' and 'R. S.'. On the right, there are more signatures in blue and green, including one that looks like 'V. R.' and another that is partially legible as 'V. R.'. The signatures are scattered across the bottom of the page, some overlapping each other.

7. All Academic Council Members.

Auxiliary Minutes

The following are the suggestions from the members, which are attached as “Auxiliary minutes” of the meeting.

1. Brainstorm on good practices about conducting online classes.
2. Evolve suitable mechanism to measure the learning outcomes of online education.
3. Monitor the student progression through quizzes and assignments periodically.
4. Consider putting limitation of 3-4 maximum offers for each student so as to make available job opportunities for other students.
5. On conducting external examinations online, the members expressed that obtain consent from the students and parents, check that all protocols are followed stringently, and make sure that quality is not diluted.
6. Ensure that more work is done to strengthen entrepreneurship and innovation ecosystem.
7. Put in efforts to secure more placement offers for Mining students.
