The NCC provides opportunities to the youth of the country for their all round development with a sense of Duty, Commitment, Dedication, Discipline and Moral Values.

NSS

National Service Scheme (NSS) is a Central Sector Scheme of Government of India. The sole aim of the NSS is to provide hands on experience to young students in delivering community services.

BUSINESS INCUBATION CENTER

MREC-Hub is an Incubation Center, established in 2015. Sri. Ch. Malla Reddy, Founder Chairman, announced the MREC Incubation Hub. The main objective of the M-Hub is to promote entrepreneurship activities and hone the creative talent of the students at the college itself.

M-Hub is associated with T-Hub, IIIT-H Campus, TGIC, Hyderabad, and conducted various awareness, training programs & competitions on Idea Innovation and Entrepreneurship. MREC-Hub is registered with MSME Udyam, Govt. of India on 12th July 2021 and has been recognized as Business Incubation Centre on 08-03-2022 under the MSME Innovative Scheme (MSME Champion scheme).

CENTRE OF EXCELLENCE

Our Centre of Excellence (CoE) is a dedicated entity focused on advancing specific areas of academic and research excellence. It serves as a hub for innovation, fostering collaboration among faculty, students, and industry experts. The CoE is equipped with cutting-edge facilities, including advanced laboratories, specialized equipment, green matt studio, dubbing theatre and access to extensive academic resources, enabling high-quality research and development.

The primary functions of a CoE include conducting pioneering research, developing new technologies, and providing specialized training and education. It often hosts workshops, seminars, and conferences to disseminate research findings and encourage scholarly exchange. The CoE also plays a crucial role in securing funding through grants and partnerships, promoting interdisciplinary collaboration, and facilitating the commercialization of research outcomes.

KNOWLEDGE RESOURCE CENTER

The university library is a vital resource for students, faculty, and researchers, offering a comprehensive collection of books, journals, and digital resources. It features quiet study areas, group study rooms, and computer workstations to support various learning styles. The library provides access to online databases, e-books, and academic journals, ensuring users have the latest information at their fingertips. Additionally, it offers research assistance, workshops, and seminars to enhance information literacy. The library's user-friendly catalog system makes it easy to locate materials. With extended hours and a welcoming environment, the library is a hub for academic growth and collaboration.
